Milwaukee now has the flavor of Old Delft.

Columbus now has the flavor of Old Delft.

This new pipe tobacco was inspired by 17th century Holland's Golden Age, when the Dutch taught the world about the flavor of art and living.

Blended in Richmond, Virginia, Old Delft is an aromatic blend of special export quality—Cavendish-cut for a cool, even-burning smoke.

Wrapped in elegant gold-foil, it reseals as your own personal tobacco pouch.

Yesterday was good, today is better, in Old Delft.
